

*A newsletter reporting on events at Rio Bosque Wetlands Park*

## **BOSQUE BANTER**

June was a good month for Eagle Scout service projects at Rio Bosque. On June 10, **Bryan Ochoa** and fellow scouts in Troop 2 installed benches along the Bosque Trail. On June 17 and 24, **Benton Leachman** and Troop 59 installed an interpretive-display panel next to Wetland Cell 2 and Wood Duck nest boxes at suitable locations in the Park.
